

THE MILLER SCHOOL OF ALBEMARLE STUDENT LOG-ON AGREEMENT 2016-2017

As a student having reached the age of maturity (18) **OR** as the parent or guardian of an underage student, I have read the Acceptable Use Policy for Technology presented in the Student/Parent Handbook. I understand and will abide by the stated terms and conditions, and that my child will obey the computer lab rules outlined below. Should I (the student) **OR** should my child commit any violation, access privileges may be revoked, and school disciplinary action may be taken, which may include expulsion, and/or other appropriate action. I understand that this access is designed for educational purposes and that Miller School has taken available precautions to eliminate controversial material. However, I also recognize it is impossible for Miller School to restrict access completely for material acquired on the network.

Signature acknowledges that the registrant will abide by the campus Acceptable Use Policy for Technology and is subject to penalties related to violations of the policy. This policy can be found at <http://millerschoolofalbemarle.org/student-life/technology/>
