

Welcome to Wayland Hall ladies!

We wanted to introduce you to your dorm family at the Miller School before you arrive as well as give you some specifics about your room and what to bring. First, you have two dorm directors and their families that will be living in the building with you. Ms. Tyler has been a dorm director at Wayland Hall for 16 years. She has a son, Jordan, who attends Miller School. You will also see Ms. Tyler in Old Main working in Student Life. Mrs. Landseadel has been a dorm director for Wayland Hall for 4 years. She lives with her husband and two children, Laina (8) and Jackson (5). You will also see her in Caton Hall teaching science.

There are five Resident Advisors (RAs) in the dorm who are student leaders that will be a wonderful resource for you throughout the year. They will help you move in, plan fun activities, are there to answer your questions, and help keep everyone in the dorm on schedule in the evenings. You will have an RA that you meet with each week for dorm meeting as well. Our RAs this year are Rebecca Zhao (12th grade from China, Head RA), Olivia Jefferson (12th grade from Maryland, USA), Emily Garcia (11th grade from North Carolina, USA), Rebecca Yao (11th grade from China), and Julia Martins (11th grade from Brazil).

We will go over dorm procedures and so forth during our initial dorm meeting on Tuesday night (see your orientation schedule for exact details). We have lots of fun activities planned for the year and look forward to discovering some of your interests as we continue to add activities throughout the year. Please review the information below carefully as you prepare for living at Wayland Hall. We look forward to seeing you!

- Rooms at Wayland Hall are single rooms.
- The furniture in your room **cannot** be moved. You need to keep the furniture as it is.
- A mattress cover will already be on your mattress.
- No screws or nails in the walls or doors. We recommend buying Command hooks/strips for hanging items on your wall.
- Many girls bring a personal refrigerator for their room.
- Small rugs, curtains, and lamps may be used to add a personal touch to your room.
- We recommend bringing an oscillating fan.
- We also suggest bringing a power strip or power squid to give you more outlets.
- Full length mirrors must hook over the back of the door.
- Please bring a lock (either a combination or key lock) for your wardrobe.
- Please refer to the dorm room section of the handbook to review more information.

Sincerely,

Antoinette Tyler
Assistant Director of Student Life
Wayland Hall Dorm Director
at Tyler@millerschool.org

Jessica Landseadel
AP Biology Teacher
Wayland Hall Dorm Director
jlandseadel@millerschool.org
